

## Working student IT and Back-office Support (m/f/d)

Location:

Enapter is a unique, fast growing and award-winning electrolyser manufacturer on a mission to replace fossil fuels with green hydrogen. We're a big international team, driven and united by a common vision and guided by our core principles – urgency, simplicity and transparency. To learn about our plan to help flip global warming, please read the [Enapter Whitepaper](#). If it thrills you as much as it thrills us, this position might be for you.

We are looking for a passionate IT/Computer Science student that wants to learn the ropes around our new campus in Saerbeck, Germany. In this role you would support the IT Manager with day-to-day activities related to equipment inventory management and assisting employees in software and hardware questions. Additionally, you would be responsible for back-office support and become a key figure in keeping the office running smoothly.

### Your tasks:

- ≡ Keeping the inventory of the new IT equipment
- ≡ Create a systematic order of invoices
- ≡ Ensure that the office consumables stay full
- ≡ Be responsible for the up-keep of the office car

### Your profile:

- ≡ First things first: Enthusiasm for the part green hydrogen will play in tomorrow's world and Enapter's role in it
- ≡ Currently enrolled in an IT/Computer Science Degree Programme
- ≡ Excellent English and German communication skills
- ≡ You are well organized, creative and have a desire to work in a rapidly evolving environment. You also bring a sense of humor, we like to laugh while we work :)

*You don't meet all the requirements listed, but you like the tasks and the working environment and think you are up to the challenges? Then get in touch anyway and tell us why. We look forward to hearing from you!*

### We offer:

- ≡ The opportunity to help shape the future of energy in one of the most dynamic companies in the hydrogen industry
- ≡ An exciting workspace close to our upcoming Enapter Campus, in the climate-community of Saerbeck, NRW
- ≡ Many cultural and leisure activity options due to the nearby student cities of Münster and Osnabrück
- ≡ A market-oriented compensation package

- ≡ Lots of responsibility and creative freedom
- ≡ Truly flat hierarchies and great, green colleagues

*We know that diverse groups drive progress faster. As a company with focus on R&D, this is particularly important to us and why we embrace and celebrate diversity. We explicitly welcome any application that brings additional perspectives to Enapter. So, if you believe that you can draw from your unique background and experiences to add new perspectives to our team, please tell us about this. We look forward to hearing from you!*
